Meet Armani, our luxury power catamaran for charter in Phuket: fresh out of the yard in 2025 — and easily one of the smartest ways to see the Andaman Sea. She combines on 50ft space, stability and speed. Her wide beam means real room to spread out for up to 20 guests — and that doesn't stop at the railing:

large doors in the hull sides fold open into extra swim platforms, turning the boat's edge into your private waterfront. One step and you're in the Andaman Sea; one step back and there's a private cabin and toilet waiting to keep things comfortable all day.
