YONA

Custom Build 75ft

100	2026	Cabins AC	16 kn.

Yona is our brand-new 75ft private floating beach club: two levels of lounges, sun decks and amazing sea views. While boats of this size are quite slow, this power catamaran can bring your big group event with up to 100 guests even to far destinations like Phi Phi.

With the stability that keeps drinks upright and guests happy. Upstairs, open air and vibrant music; downstairs, refined lounges, premium facilities and a boutique-style private cabin with its own bathroom for guests who take their comfort seriously.
A professionally trained crew handles everything from navigation to hospitality — crafted drinks appear, playlists flow, and the only thing on your schedule is deciding which level has the better view. Curated day trips or fully tailor-made private charters across the Andaman Sea: family escapes, elegant celebrations, or no occasion at all. Some clubs have a waiting list. our Yona has a horizon.
